January 21, 2018

Since being incorporated in 1982, the Laredo Border Chapter API has been an oilfield-driven, non-profit organization raising money for our chapter's scholarship fund. Through those 34 years of hard work and determination, we have raised funds to help numerous children complete their educational dreams. We also support our local/regional fairs, food banks and other non-profit organizations as good ambassadors to our local communities.

We continue our annual events which are the Team Roping and BBQ Cook Off, Bass Tournament and BBQ Cook Off and Golf Tournament. All the money raised from these 3 events is used to fund the Laredo Border Chapter API scholarship program. All scholarship applicants must meet our specified criteria. This criterion is set and is required by the Laredo Border Chapter by-laws and scholarship committee.

Last year, the Laredo Border Chapter API awarded \$52,000 dollars in scholarships to over 50 local and regional children around South Texas. Our scholarship program would be impossible without your support and participation.

As we prepare for our 2018 annual events (Roping & BBQ Cook Off/ BASS Tournament & BBQ Cook Off/Golf Tournament), we are asking for your support in ways of sponsorships, donations, contributions and event participation.

Our chapter is made up of a great team of officers, committee members and volunteers that donate their time and effort to put together some great events. Please help us continue the dreams of all these South Texas children.

We hope to see you in 2018! May God Bless the oilfield and us all!

Best Regards,
Israel Lozano
President
