January 1, 2019

The Laredo Border Chapter API has been an oilfield-driven, non-profit organization raising money for its scholarship fund. Throughout the years of hard work and determination, the agency has raised funds to help numerous students complete their educational dreams. We also support our local/ regional fairs, food banks and other non-profit organizations as good ambassadors to our local communities.

Our continued annual events are the Team Roping / BBQ Cook Off, the Bass Tournament / BBQ Cook Off, and the Golf Tournament. These 3 events help raise funds for the Laredo Border Chapter API scholarship program. All scholarship applicants must meet our specified criteria. This criterion is required and set by the Laredo Border Chapter by-laws and scholarship committee.

Our chapter is made up of a great team of officers, committee members and volunteers that donate their time and effort to put together these great events.

Every year, the Laredo Border Chapter API awards over \$50,000 dollars in scholarships to over 50 local and regional students around South Texas.

As we prepare for our 2019 annual events, we are asking for your support with sponsorship, donations, contributions and event participation.

Thank you for all your help and your extended support. Our scholarship program would be impossible without strong supporters like you and your participation.
Best Regards,

President,
2019 Laredo Border Chapter API

Luis Cortes Jr
