LETTER TO THE STUDENT SCHOLARSHIP APPLICANT LAREDO BORDER CHAPTER API P.O. BOX 2644 LAREDO, TEXAS 78044

The Laredo Border Chapter of the American Petroleum Institute strives to give back to the community through the financial support of potential and current university students via annual, renewable undergraduate academic scholarships. Each year, thanks to the hard work and dedication of its members and generous industry donations, the Laredo Border API is able to offer a select number of scholarships to deserving students in undergraduate degree programs.

New applications are accepted once per year before the fall semester begins. We require the applicant to submit a 400-word essay. Tell us your college and professional goals. What organizations are you currently volunteering in? How will you help API during fundraising tournaments? What hobbies and family activities do you like. Use the attached checklist and submit all required information and documents to the grading committee email below. The deadline to submit your application is June 15th. Applications missing any of the required information will not be processed. In addition, those who fail to submit this information in a timely manner will not be eligible to receive an award for the upcoming academic year and will only be eligible to reapply in the following year for the fall semester.
